Language and personal development

OISE at Sherbourne Priors

Challenging and engaging lessons for confidence building and for gaining the skills necessary to perform with assurance in English.

Set in beautiful gardens in Sherbourne, near Warwick and Stratford-upon-Avon, Sherbourne Priors is a charming Victorian country house offering every comfort for residential English language training.

At Sherbourne Priors we offer immersion into the language by means of small learning groups (maximum of 4 per group), an intensive daytime programme and an engaging evening programme in very comfortable residential surroundings which allows participants to achieve communication objectives quickly and effectively.

Participants leave with a greater confidence and the ability to use English effectively in a variety of situations.

The international immersion experience extends beyond the classroom. All meals, breaks and evening activities are spent in the company of your trainers and colleagues, interacting and sharing common experiences with the single goal of communication in English.

in beautiful surroundings

Lessons take place in our well equipped boardrooms. All bedrooms are comfortable and en-suite, meals are prepared by our executive chef and served in our dining room (from Sunday evening to Friday lunchtime inclusive). Weekends between course modules begin on Friday evening and are free time for excursions and visits to places of interest. We are happy to help you plan your weekend away.

On the first morning of the course, participants carry out a needs analysis with their trainers. Throughout the programme, trainers give feedback and ongoing progress checks with the participants. At the end of the stay there is a detailed feedback session in an individual interview in which each participant receives a progress report and recommendations for ongoing work. Lessons are either one to one (Tutorials) or in small groups of 4 (Quatorial).
